SUPPLEMENTARY ONLINE MATERIAL FOR

**Using abundance data to assess the relative role of sampling biases and evolutionary radiations in Upper Muschelkalk ammonoids**

Alistair J. McGowan and Wolfgang Kiessling

Published in *Acta Palaeontologica Polonica* 2013 58 (3): 561–572.

<http://dx.doi.org/10.4202/app.2010.0040>

SOM1: File with data on 1033 ammonoid occurrences in the Muschelkalk.

[http://app.pan.pl/SOM/app58-McGowan\\_Kiessling\\_SOM/SOM1.xls](http://app.pan.pl/SOM/app58-McGowan_Kiessling_SOM/SOM1.xls)

SOM2: File with similarities and geographic distances (D) among the nodes.
